5 AWESOME CARRIER OILS

FOR INCREDIBLY BEAUTIFUL NATURAL SKIN

1. JOJOBA

Fantastic anti-inflammatory for oily skin. It helps to balance the production of oil, and breaks down the buildup of sebum in plugged pores. It combines with our our sebum and allows our skin to breath normally.

2. AVOCADO

Deeply penetrating anti-inflammatory & anti aging oil perfect for all skin types. Repairs sun damaged skin and rejuvenates stressed and tired skin.

3. SWEET ALMOND

Light texture that is extremely moisturizing leaving your skin soft. Perfect for dry sensitive skin.

4. MACADAMIA NUT

Lightweight oil similar to human sebum with a perfect balance of essential fatty acids. Non-greasy and the perfect choice for mature dry skin.

5. APRICOT KERNEL

Rejuvenating natural oil that's ideal for softening fine lines and restoring a healthy glow to skin.
